Care You Can Count On

Care You Can Count On

Our goal is to provide you with excellent care from diagnosis to treatment of your digestive tract illnesses and conditions.

We are committed to ensuring your safety and providing outstanding customer service.

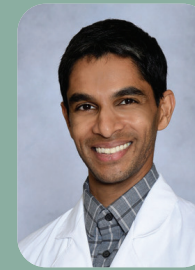

Our Team

Gastroenterologist Dr. Krishna Sajja leads a highly trained and experienced team of nurses and techs who assist with endoscopies, colonoscopies, bronchoscopies, biopsies and other procedures in Lane's Endoscopy Center.

Dr. Sajja specializes in comprehensive diagnosis and management of the digestive tract, inflammatory bowel diseases such as ulcerative colitis and Crohn's, as well as liver and pancreatic diseases including hepatitis, cirrhosis, primary biliary cholangitis, pancreatitis and other autoimmune disorders.

He is also trained in capsule endoscopy exams, dilation procedures, and the placement of endoluminal stents for gastrointestinal tract obstructions.

Dr. Sajja treats adults 18 years and older. A physician referral is required.
