Care You Can Count On

Care You Can Count On

Our goal is to provide you with excellent care from diagnosis to treatment of your digestive tract illnesses and conditions.

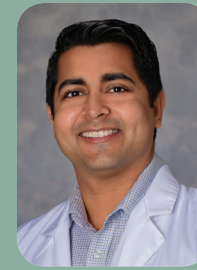

We are committed to ensuring your safety and providing outstanding customer service.

Our Team

Gastroenterologists Dr. Krunal Patel and Dr. Krishna Sajja lead a highly trained and experienced team of nurses and techs who assist them as they perform endoscopies, colonoscopies, bronchoscopies, biopsies and other procedures in Lane's state-of-the-art Endoscopy suites.

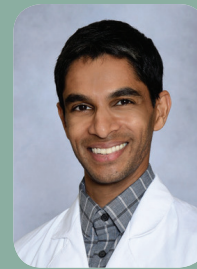

Dr. Patel and Dr. Sajja specialize in comprehensive diagnosis and management of the digestive tract, inflammatory bowel diseases such as ulcerative colitis and Crohn's, as well as liver and pancreatic diseases including hepatitis, cirrhosis, primary biliary cholangitis, pancreatitis and other autoimmune disorders.

Dr. Patel is experienced in ERCP (endoscopic retrograde cholangiopancreatography) to diagnose diseases of the biliary system and gallbladder. Dr. Patel and Dr. Sajja are trained in capsule endoscopy exams, dilation procedures, and the placement of endoluminal stents for gastrointestinal tract obstructions.
