

You're Gonna *Love* LANE

Message from CEO

It's an exciting time at Lane, and I am thrilled to part of such a dynamic, growing organization.

It's been two years since the expansion project for an updated facility focused on patient-centered care began. Construction of the 4-story patient tower is almost complete

and is scheduled to open later this spring. Inside the front entrance, the new patient registration and surgery pre-admits areas will also be finalized.

With the addition of Dr. Ashley Willis and the opening of Lane Allergy, Asthma & Immunology, patients can now get the care they need without having to drive into Baton Rouge. This will be especially helpful for those needing weekly allergy shots or asthma treatments.

Dr. Gia Landry and Dr. Zahf Shaikh at Lane Gastroenterology are the most recent physicians to join our Lane team. You can count on their experience and expertise, whether it's a routine colonoscopy or more complex digestive system conditions, they are here for you.

As we move forward with our vision for the future of Lane, we thank you for your continued trust and support.

Kindest Regards,

Care You Can Count On

Frank Corcoran, Jr. *Chief Executive Officer*

"It is a privilege for me to continue the great work of Mr. Meese, and I am committed to ensuring the highest quality patient care and extraordinary customer service the region knows and expects."

Frank Corcoran, Jr. has been named Chief Executive Officer, succeeding Larry Meese who retired from Lane after serving the organization for the past eight years.

Originally from New Orleans, Frank has more than 20 years of healthcare leadership experience. He earned his Bachelor of Science in Nursing from Louisiana State University School of Nursing and a Masters of Health Care Administration from Capella University in Minneapolis, Minnesota.

"Following an extensive national search process, the Board is pleased to have found the best individual to assume leadership of our growing system," says Thomas Scott, chair of Lane Regional Medical Center's Board of Commissioners. "Frank has a track record of strong leadership skills, service line growth and strategic knowledge of the healthcare industry, which makes him exceptionally qualified to successfully lead Lane into the future."

"Frank brings the right mix of skills to this role," continues Scott. "He's been a successful administrator and even more importantly is a great fit with the critical leadership competencies we used as part of our selection process: strategic planning, financial management, business development, and vision. His passion for community-based healthcare and commitment to excellence align with Lane's mission and expansion plans. We are confident that Frank will continue to build on our many strengths and are delighted that he's accepted the position to become Lane's ninth CEO."

Frank and his wife, Ginger, live in Zachary and enjoy being closer to their grandchildren in Central and Sun, Louisiana.

New BRDNA Officers

The Baton Rouge District Nurses Association (BRDNA) has named its 2025 Board of Directors. Lane Regional Medical Center Chief Nursing Officer, Staci Sullivan, has been elected as President-elect and Allyson Bennett, Director of Quality Resources at Lane Regional Medical Center, has been elected as Vice President on the 2025 Board.

Staci Sullivan

Allyson Bennett

Established in 1918, the BRDNA strives to improve the health standards and availability of health care for Louisiana citizens and to promote the professional development and image of nursing.

LFP Receives Quality Award

Lane Family Practice (LFP) is one of three organizations in the region to receive the Verity Value-Based Quality Star Regional Award from the Aetna Better Health Incentive Program. LFP met five out of six quality measures, which were broken down into six categories: Cervical Cancer Screening, Child and Adolescent Well-Care Visits, Childhood Immunization Status, Colorectal Cancer Screening, Controlling Blood Pressure, and A1C.

We are extremely proud of the outstanding care being provided to our patients by the team at Lane Family Practice!

Lane Gastroenterology

Dr. Landry and Dr. Shaikh specialize in comprehensive diagnosis and management of the digestive tract (esophagus, stomach, small and large intestines, liver, biliary tract and pancreas), inflammatory bowel diseases such as ulcerative colitis and Crohn's, as well as liver and pancreatic diseases including hepatitis, cirrhosis, primary biliary cholangitis, pancreatitis and other autoimmune disorders. Dr. Shaikh is also trained in therapeutic endoscopic procedures, and dilation procedures.

Gia Landry, MD & Zahf Shaikh, DO

"I am very excited to be a part of the Lane team and look forward to providing exceptional, patient-centered care."

- Endoscopy Center and Infusion Center Relocated to Inside the Surgery Dept.
- 2nd CT Machine Dedicated to the ER and Pre-Admit Testing
- Expanded Lab and Imaging Areas
- New Dining Room with More Seating and Upgraded Serving Line
- Enlarged Gift Shop
- Redesigned, Spacious Chapel for Spiritual Prayer and Meditation

Maggie Fletcher Named 2024 Employee of the Year

Congratulations to Maggie Fletcher for being named 2024 MVP (Most Valuable Player) of the Year at Lane Regional Medical Center! Maggie is the Revenue Cycle Coordinator in the Revenue Cycle Department and was recognized for her dedication, outstanding work ethic, and customer service skills.

She was nominated by a coworker who stated:

"Maggie deserves a HUGE shout out! She has been working behind the scenes to correct thousands of patient accounts due to the Epic conversion. She is one of the hardest working and dedicated employees that Lane has and deserves recognition. Maggie has been working extremely long hours to get the corrections made and hasn't complained (too much)! Maggie, you are so loved and appreciated."

Please join us in congratulating Maggie Fletcher and the 11 nominees for exemplifying Lane's Mission, Vision and Values!

2024 MVP of the Month Nominees:

- January - Michael Bua, Environmental Services
- February - Brittany Casey, Staff Development
- March - Sydney Price, Emergency Room
- April - Jeanesa Jackson, Respiratory
- May - Sierra Lanus, Surgery
- June - Maggie Fletcher, Revenue Cycle
- July - Cindy Conerly, Respiratory
- August - Russell Arceneaux, Endoscopy Center
- September - Danielle Dixon, Lane OB/GYN
- October - Sydnie Parnell, Cath Lab
- November - Toshika Brown, Medical/Surgical Unit
- December - Adrienne Richardson, Imaging

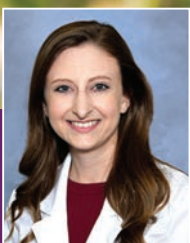

Pictured L-R: Jeanesa Jackson, Cindy Conerly, Sierra Lanus, Danielle Dixon, Brittany Casey, Maggie Fletcher, Russell Arceneaux, Mike Bua, Adrienne Richardson, and Toshika Brown.

Don't Let Spring Allergies Keep You From Enjoying Life

Spring is a common trigger for seasonal and indoor allergies, as well as asthma and eczema flare-ups.

At Lane Allergy, Asthma & Immunology, we provide comprehensive diagnosis and treatment for allergies, asthma and skin disorders for both children and adults.

Schedule your appointment today!

Baby Lane Now Using Digital Footprinting for Newborns

The Baby Lane Labor and Delivery Department at Lane Regional Medical Center is now using the CertaScan digital footprinting system for newborns.

Digital footprinting is revolutionizing the way newborn footprints are captured and stored. Unlike traditional ink-based methods, this digital solution uses advanced technology to capture a newborn's footprint soon after birth to create a precise, permanent record.

Parents can access and download these digital records at any time, turning them into keepsakes, such as personalized artwork or announcements. These records help healthcare facilities uphold high standards of care and safety and can be invaluable for child identification in the unlikely event of an emergency, offering families peace of mind.

For more information or to schedule a tour of Baby Lane, please call 225-658-6612.

Lane Rx Makes *Life* Easier

With a convenient drive-thru, your family will love everything about Lane's retail pharmacy. Our outstanding pharmacists are here to serve you and will do all that they can to help you with your medication needs. From answering your questions, to helping you better understand your medications, to getting you in and out as quickly as possible, Lane Rx is a great choice for all your pharmaceutical needs. **Choose Lane Rx. Call 225-658-4022.**

PRESCRIPTION

New Van at LRC

Lane Rehabilitation Center's van is used to transport our patients to area doctor appointments and to pick up new patients. Stacy Haile and Steve Melancon are our awesome drivers.

Nurses Honored

Southeastern School of Nursing recently celebrated their 60th anniversary and honored 60 of their distinguished alumni, including (L-R) Dawn Fuller, Brittany Casey, and Staci Sullivan! Not pictured: Billy Conerly.

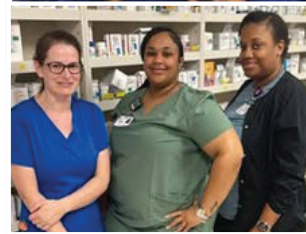

Case Management Week

Case managers step up in new and innovative ways to improve health outcomes. They are advocates who help patients understand their current health status, what they can do about it, and why those treatments are important. Effective case management can help each patient gain access to services they need and utilize hospital and public resources efficiently and appropriately. Case managers make a big difference, and we thank them for all they do!

Pharmacy Teams

We recently celebrated our wonderful pharmacy teams at Lane Rx (in front of the hospital) and Lane Pharmacy (inside of the hospital) for National Pharmacy Week.

Their dedication, expertise, and compassion ensure our patients receive the best service possible!

Respiratory Therapist Week

In celebration of Respiratory Therapists Week, we thank our team for their dedication, hard work, resilience, kindness and strength.

Ribbon Cutting

Lane Allergy, Asthma & Immunology hosted a Ribbon Cutting to celebrate its grand opening. Dr. Ashley Willis and her friendly staff are looking forward to getting to know you and your family. For more information or to make an appointment, please call 225-658-4080.
