*Care You Can Count On*

## Specialized Care for General Surgery

No matter the procedure, the need for surgery can be unsettling. The physicians and nursing staff of Lane Surgery Group recognize this and are committed to making your surgical experience as seamless and comfortable as possible. Not only will you find highly qualified and experienced surgeons at Lane, you'll also find compassionate care.

## Ask Questions

When you choose to have your procedure performed at Lane, you can expect to be guided every step of the way. It is our goal to ensure that all of your questions are answered and your concerns eased. You'll have many opportunities to speak with nurses and your surgeon in the weeks and days leading up to your procedure, as well as afterward.

Whether your surgery is done on an outpatient basis or requires a hospital stay, you'll find a warm, professional and caring atmosphere. We place great emphasis on the needs of our patients at each and every stage of the process, from pre-op testing and preparation to postoperative care, you'll experience our best.

## Lane Surgery Group
